

### **Allergen Disclaimer**

I am requesting the omission of the following food allergen(s) from my sweet treats order:

---

I acknowledge that **Sistar's Treats and More** regularly uses this ingredient on its equipment. Therefore, it is not liable for allergic reactions due to trace elements of the allergen coming in contact with any products requested.

Additionally, I understand that while **Sistar's** will strive to eliminate the known allergen, as a bakery that does not specialize in allergen-free desserts, there is no guarantee of a 100% allergen-free product.
